
WebAssign

1. Go to www.webassign.net/psu/login.html and login with your PSU Webaccess id and password. **Important:** you have to login from the precise url noted above; otherwise your PSU credentials won't be recognized.
2. The course will be available on the first day of class. You should be automatically added to my class "Math 141, section 001" upon login.
3. Complete the assignments titled "Entering Math Answers in EWA" and "Getting Started with WebAssign - Calculus." These modules together serve as an orientation to the software. Pay attention to details of how answers should be entered.
